

INTRODUCTION TO STORMWATER ISSUES

7. References

Reference materials used or encountered in the preparation of this introduction to stormwater issues series are given below. It is acknowledged that this is not a definitive list; rather it is intended to contribute to an awareness of some of the guidance documents and resources that have been or are available.

7.1 Literature

Auckland City Council. 2002. *On-site Stormwater Management Manual.*

Auckland City Council. 2003. *Soakage Design Manual.*

Auckland Regional Council. 1992. *Selection of Stormwater Treatment Volumes for Auckland.* Technical Publication N^o. 4 (TP4).

Auckland Regional Council. 1995. *The Environmental Impacts of Stormwater Runoff.* ARC Technical Publication N^o. 53 (TP53).

Auckland Regional Council. 1996. *The Environmental Impacts of Accelerated Erosion and Sedimentation.* Technical Publication N^o. 69 (TP69).

Auckland Regional Council. 1998. *Large Lot Stormwater Management Design Approach.* Technical Publication N^o. 92 (TP92).

Auckland Regional Council, (1999) *Erosion and Sediment Control: Guidelines for Land Disturbing Activities in the Auckland Region.* Technical Publication N^o. 90 (TP90).

Auckland Regional Council, (1999) *Guidelines for Stormwater Runoff Modelling in the Auckland Region.* Technical Publication N^o. 108 (TP108).

Auckland Regional Council, (2000) *Low Impact Design Manual for the Auckland Region.* Technical Publication N^o. 124 (TP124).

Auckland Regional Council, (2001) *Background concentrations of inorganic elements in soils from the Auckland region.* Technical Publication N^o153 (TP153).

Auckland Regional Council, (2003) *Stormwater management devices: design guidelines manual.* Technical Publication N^o 10 (TP10).

Auckland Regional Council, (2005) *Sources and Loads of Metals in Urban Stormwater.* Technical Publication N^o04104 (TP04104).

ANZECC and ARMCANZ, (2000) *Australian and New Zealand guidelines for fresh and marine water quality, volume 1: the guidelines.* Australian and New Zealand Environment and Conservation Council and Agriculture and Resource Management Council of Australia and New Zealand

Austrroads, (2003) *APR – 232: Guidelines for Treatment of Stormwater Runoff from the Road Infrastructure.*

Barret, M., A. Lantin and S. Austrheim-Smith, (2004) *Stormwater Pollutant Removal in Roadside Vegetated Buffer Strips.* Transportation Research Record No. 1890. Transport Research Board.

Biodiversity New Zealand, (2007) *Marine Protected Areas: Draft Classification and Protection Standard.*

Blom, C., (2002) *Application of Stormwater Quality Tools in Roading.* 2002 Road Controlling Authorities Forum / NZWWA / Ministry of Transport: Roading and Stormwater Technical Workshop, Wellington.

Blom, C., T. Anderson and G. Macdonald, (2002) *Riparian Concepts for Urban 'Rivers'.* New Zealand Water and Waste Association Stormwater Conference, 2002.
