

Who's
sharpening the
tools of our
sector?

We are.
LGNZ.
Equip

The
Centre of
Excellence

The Road Transportation Unit

The Road Transportation Unit

Will provide:

- targeted support for RCUs
- to strengthen strategic thinking
- to help implement changes to AMPS
- to help build a smart network!

The Road Transportation Unit

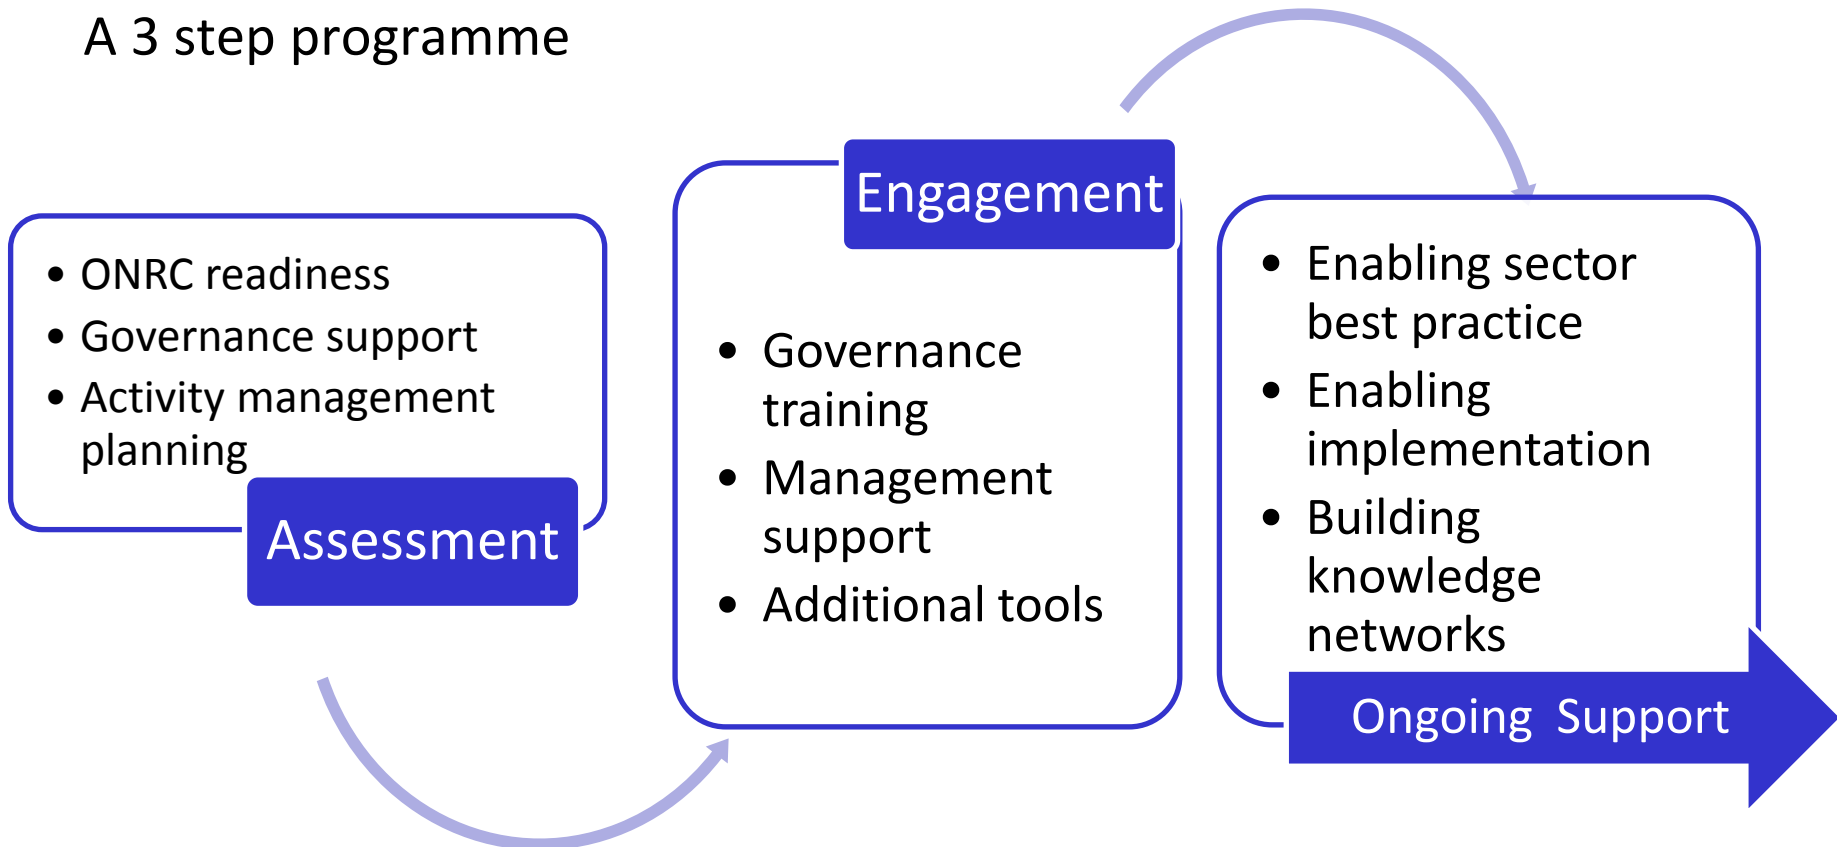

Practical tools to assist:

- Connecting to sector knowledge
- Identifying and supporting good practice and good practitioners
- Supporting your governance to support you

The Road Transportation Unit

A 3 step programme

The Road Transportation Unit

Next Steps

Talk to us about your transition planning and implementation..

Are you ready to implement these changes?

What do you need to be ready?

How do we arrive at implementation with key learnings on the journey?
