

Wynyard Quarter Bus Infrastructure

Robyn Findlay, Graduate Engineer,
Integrated Networks

Where is Wynyard Quarter?

Wynyard Quarter 1940 vs. 2017

1940

2017

Julian's Wall

Wynyard Quarter Development

Before – Circa 2008

After – 6 August 2011

The Future of Wynyard Quarter

Road Environment

- 70:30 Modal Split
- 30km/hr Permanent Speed Limit
- Reduced Carriageway Width
- Raingardens & Tree Pits
- Cobblestone Pavers
- Limited Kerbing
- Trams

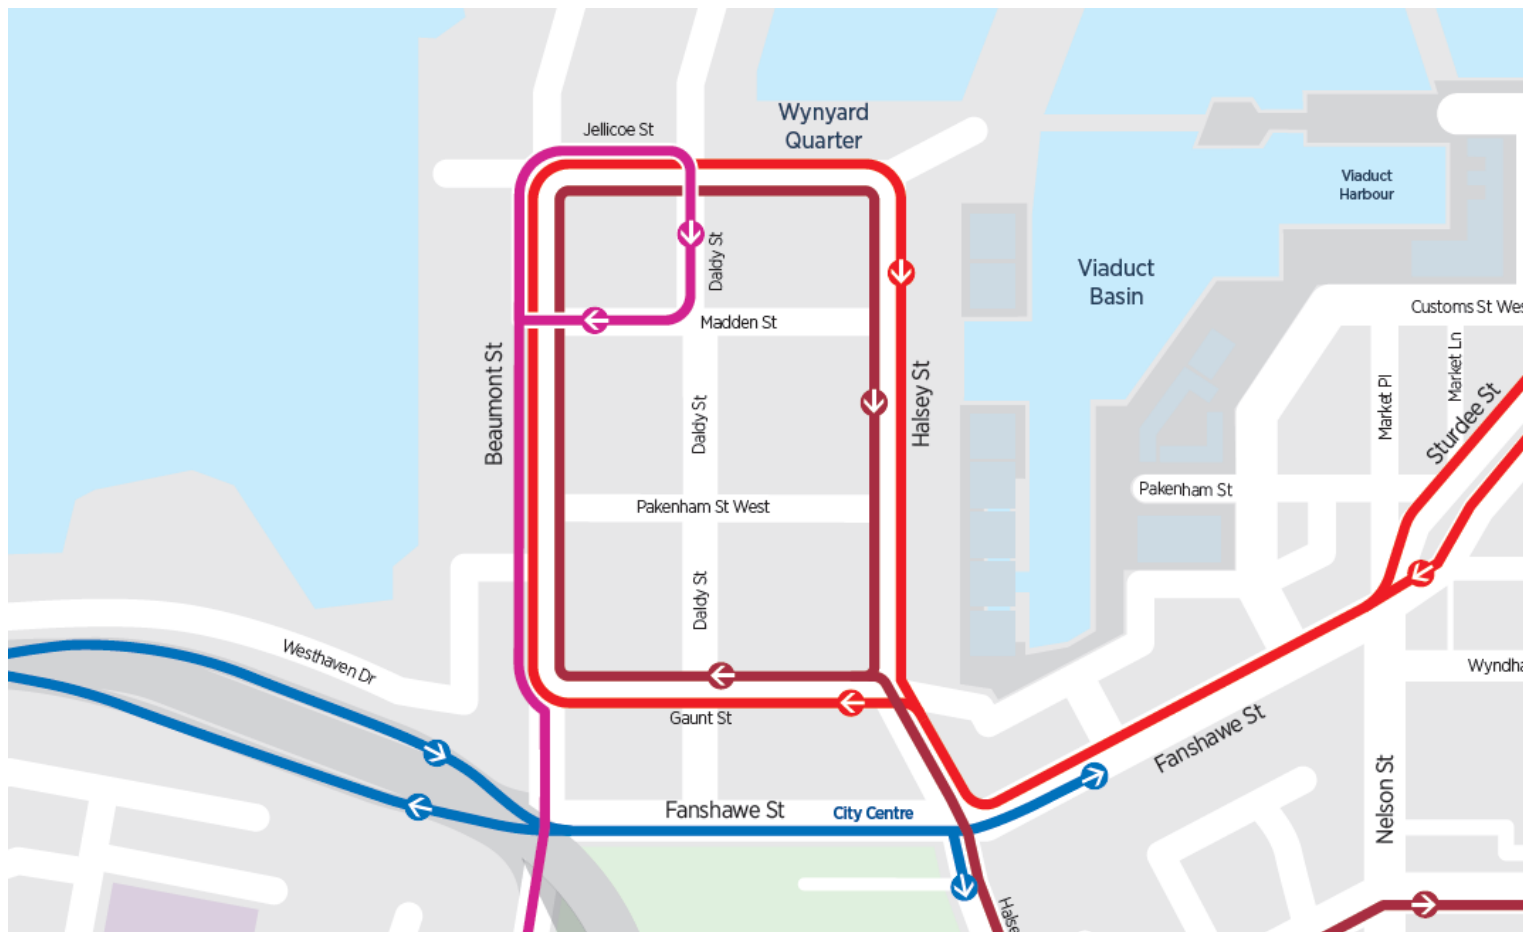

Project Brief

Design & Construct Bus Infrastructure in Wynyard Quarter to allow the rollout of the new central bus network on 8th July 2018

Route Design

Bus Stop Locations

1. Halsey St South – In bound double stop
2. Halsey St South – Out bound double stop
3. Beaumont Street – Triple layover
4. Jellicoe Street – Bus stop extension
5. Halsey Street North – Single stop

Bespoke Shelter

Note: Rubbish bin and seating not indicative of final design

Construction

Thank you
