# NZCT's 'Great Rides'

- World-class cycling experiences
- Predominantly off-road trails
- Showcase New Zealand
- New & existing cycle trail
- Include on-road sections
- Government funding

# Network Expansion Objectives

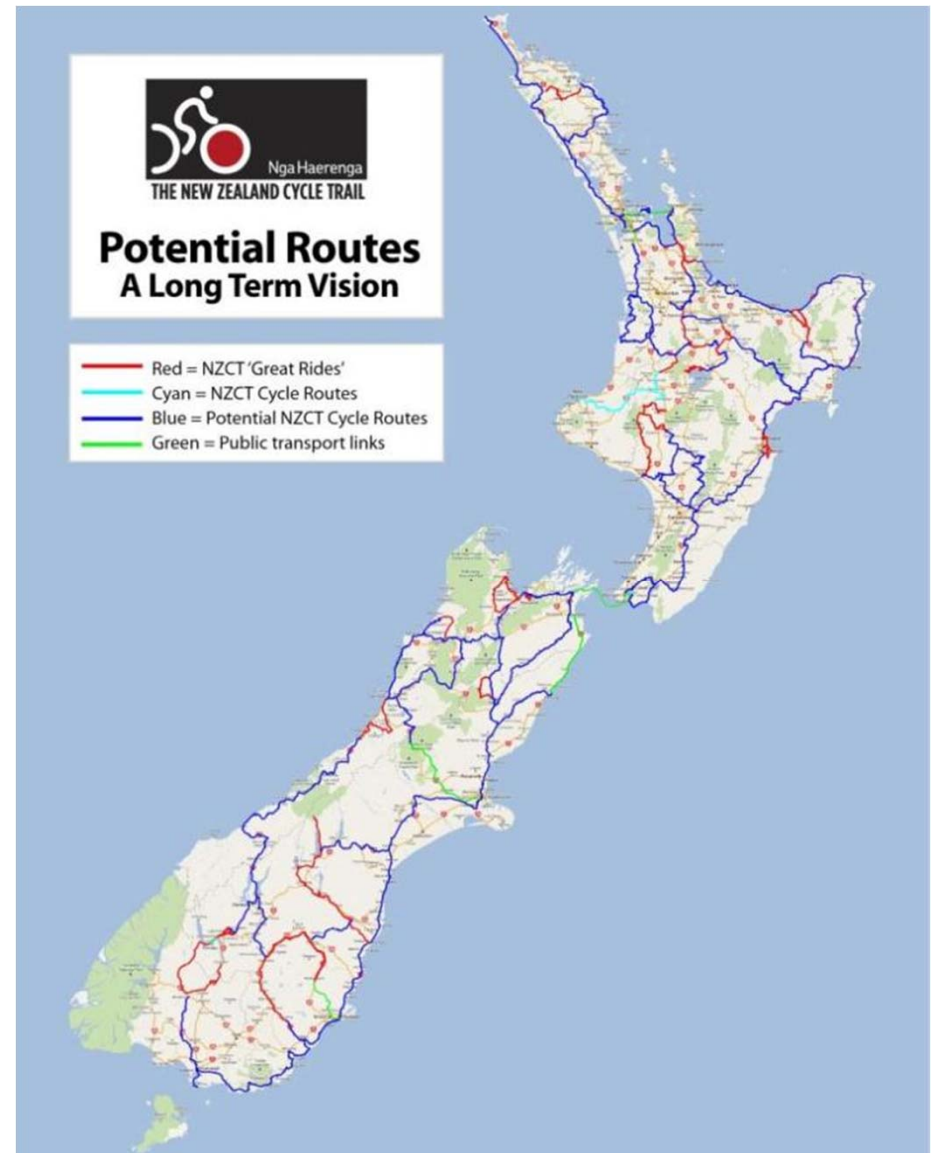

- Create cycling links between the Great Rides and other key tourist attractions, urban centres and transport hubs;
- Encourage cycle tourists away from busy state highways & arterial routes;
- Encourage more New Zealanders to cycle.

# Long Term Vision

- Gaps addressed through routine road maintenance programmes; and/or
- Integrated into short, medium and long term planning programmes for cycling infrastructure.

# Project Roll Out

- Launched in August;
- Proposals invited from interested stakeholders;
- Route planning & selection guidelines;
- Further cycle routes approved to join the NZCT.
