Nice and easy to remember

Communicating outputs Annual Forum

- **Very successful, high quality forum March 2013**
- **120 attendees**
- **Presentations by industry leading experts**
- **Presentations recorded and now available on the web site**

Communicating outputs
Next Forum

- **The next memorable event will take place in March 2014 in Christchurch**
- **In conjunction with IDS –**
  - **Day 1 – General Forum**
  - **Day 2 – Two Streams**
    - **Optimised Decision Making**
    - **Corridor Management**
- **Put the dates in your diaries now:**

**26th and 27th March 2014
Christchurch**

Communicating outputs
Body of Knowledge

- **Launched here in 2012**
- **Currently contains:**
  - Risk Management for Road Networks
  - Maintenance Cost Framework
  - High Speed Data Collection
  - Traffic Counting
- **Recently released**
  - Asset Management Best Practice

RIMS Body of Knowledge

Produced in conjunction with the Road Controlling Authorities Forum and INGENIUM

RIMS Group, PO Box 25415, Panama Street, Wellington

Communicating outputs Body of Knowledge

- **Imminent:**
  - Data Collection Framework Bridges
  - Guideline Pavement Strength Testing
  - Road Asset Management Information Systems – A Good Practice Guide

RIMS Body of Knowledge

Produced in conjunction with the Road Controlling Authorities Forum and INGENIUM

RIMS Group, PO Box 25415, Panama Street, Wellington

Communicating outputs Body of Knowledge

- **2013/14 developments:**
  - ~~Treatment selection update~~
  - ~~Best Practice Performance Reporting~~
  - Best Practice Unsealed Roads

Unfortunately the Forum has only funded one of the three projects
We are looking for a sponsor for the other two

RIMS Body of Knowledge

Produced in conjunction with the Road Controlling Authorities Forum and INGENIUM

RIMS Group, PO Box 25415, Panama Street, Wellington
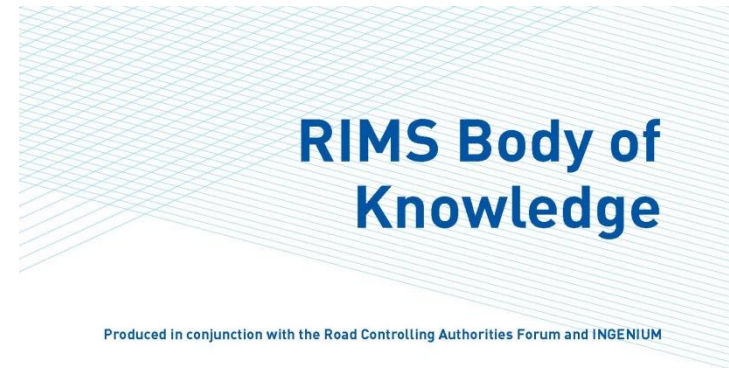

Want to get involved?

- **Interested in helping with:**
  - Working Groups
  - Peer Reviewers of Projects
  - Presenting at the Forum
  - Other ways………………..
