

Active Modes Infrastructure Group

Report to RCA Forum meeting on 27 November 2015
Wayne Newman

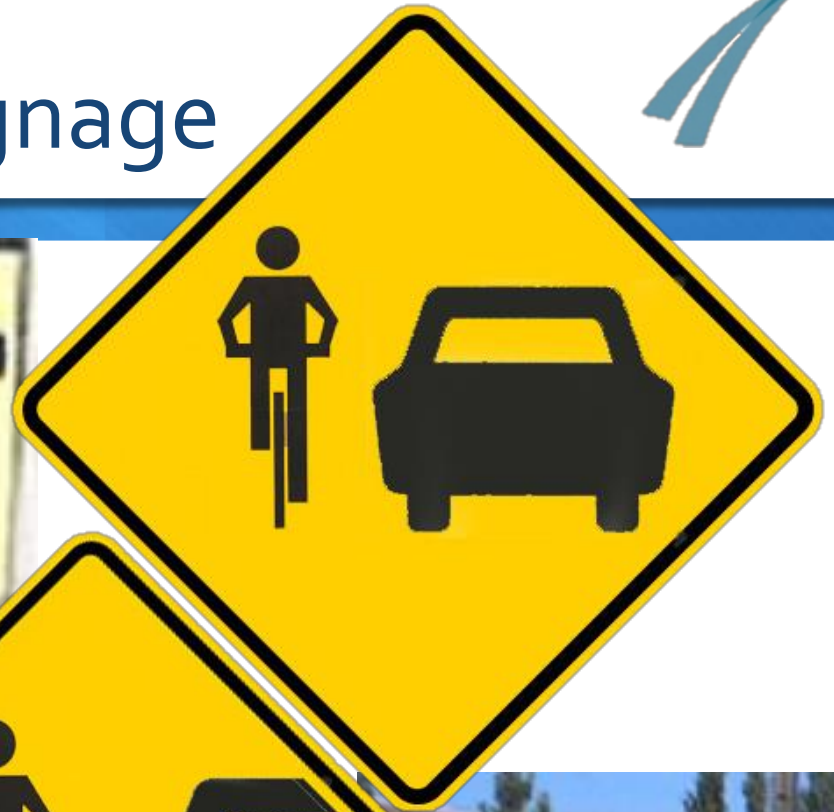

Recent and upcoming activities

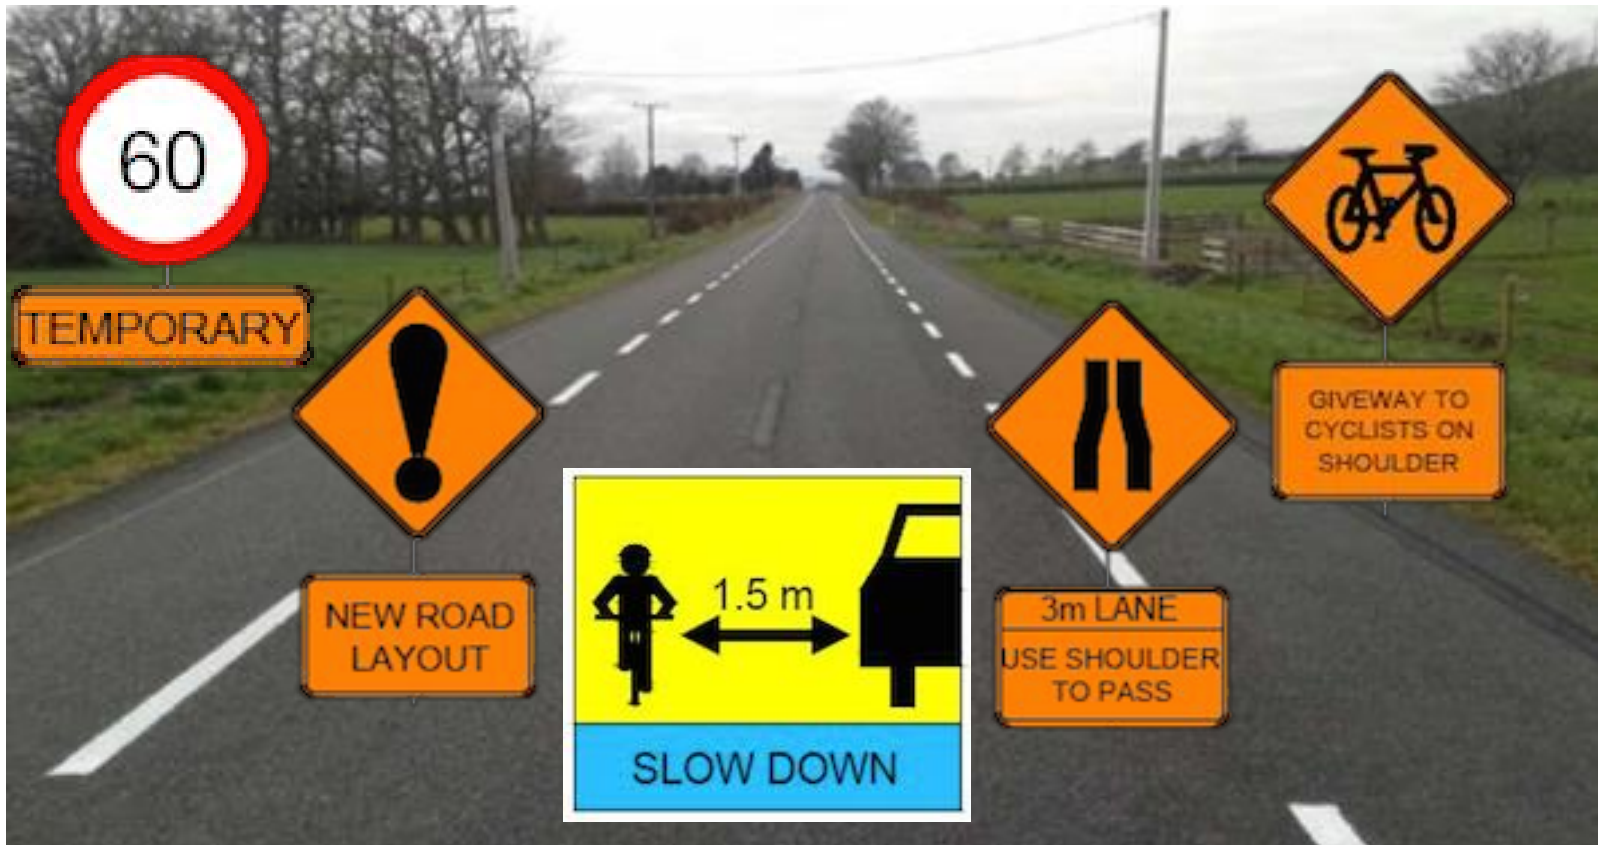

- + Input into draft National Cycling Design Guidelines
- + Input into review of RUR cycling-specific rules
- + Review of national “Share the road” signage
- + Steering trials of solutions to challenges:
 - + Marking transitions to and from shared paths
 - + Providing rural cycling lanes
 - + Provision for cyclists at intersections

“Share the road” signage

Rural 'cycling lane' trials

Pavement markings instead?

Likely intersection trials in 2016
