

# Challenges and Successes in Pavement Renewals

Heather Riches | Project Manager

# Welcome to Ruapehu

# Pavement Renewals

Ohakune Mountain Road

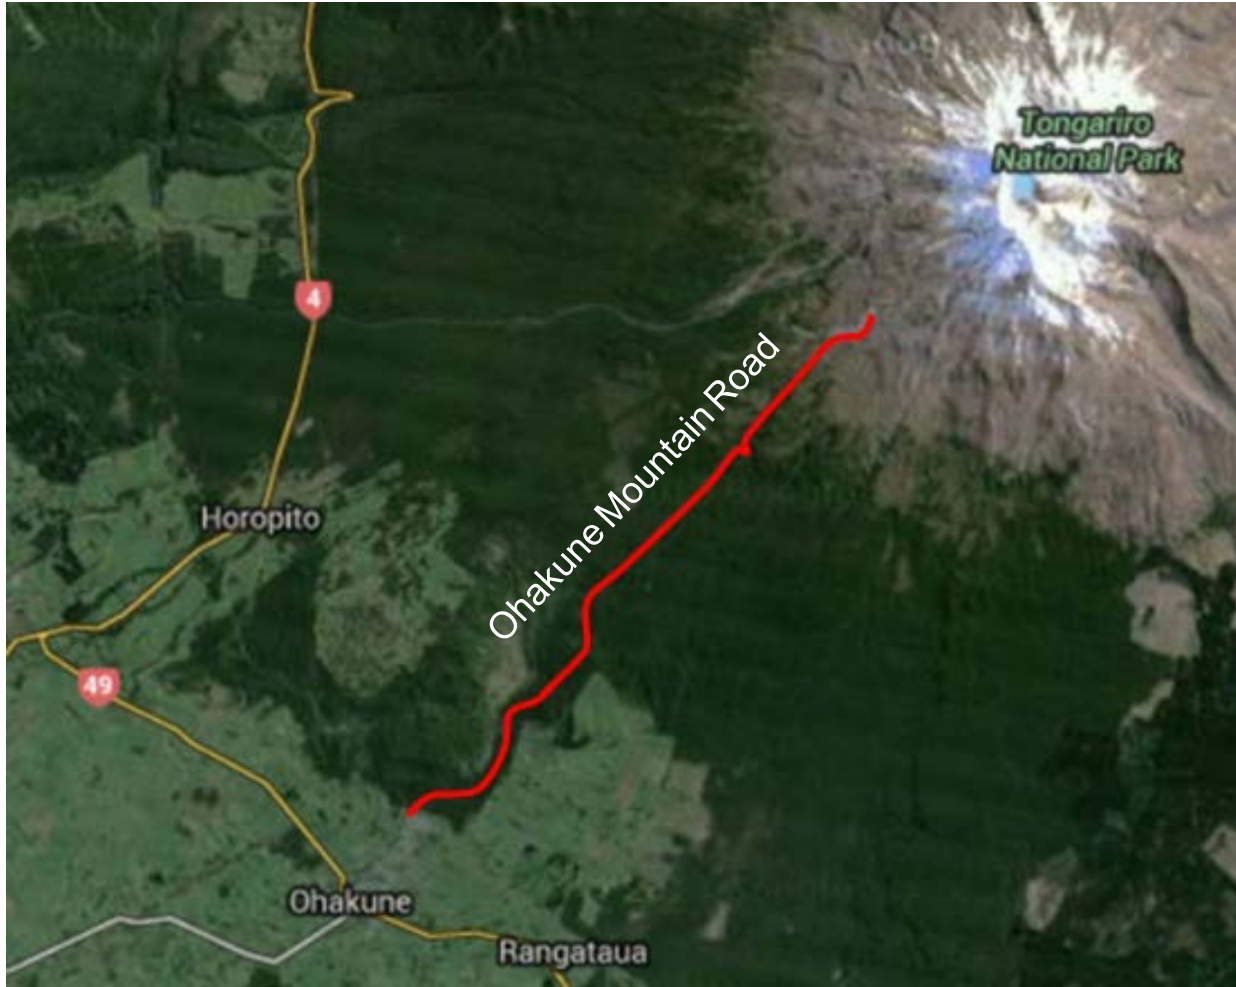

Ruatiti Road

Ongarue Waimiha Road

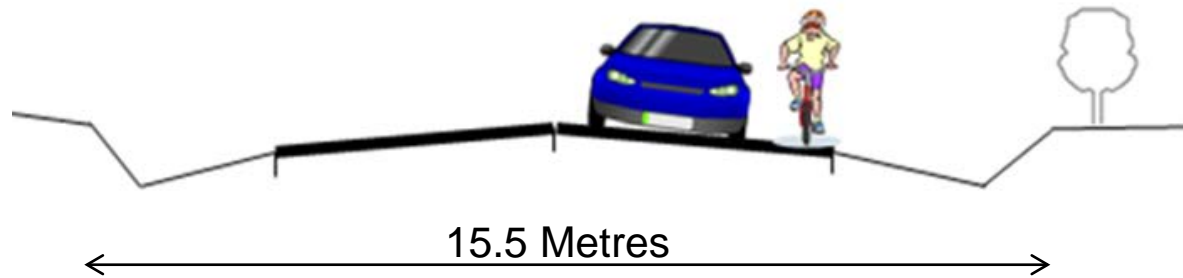

# Ohakune Mountain Road

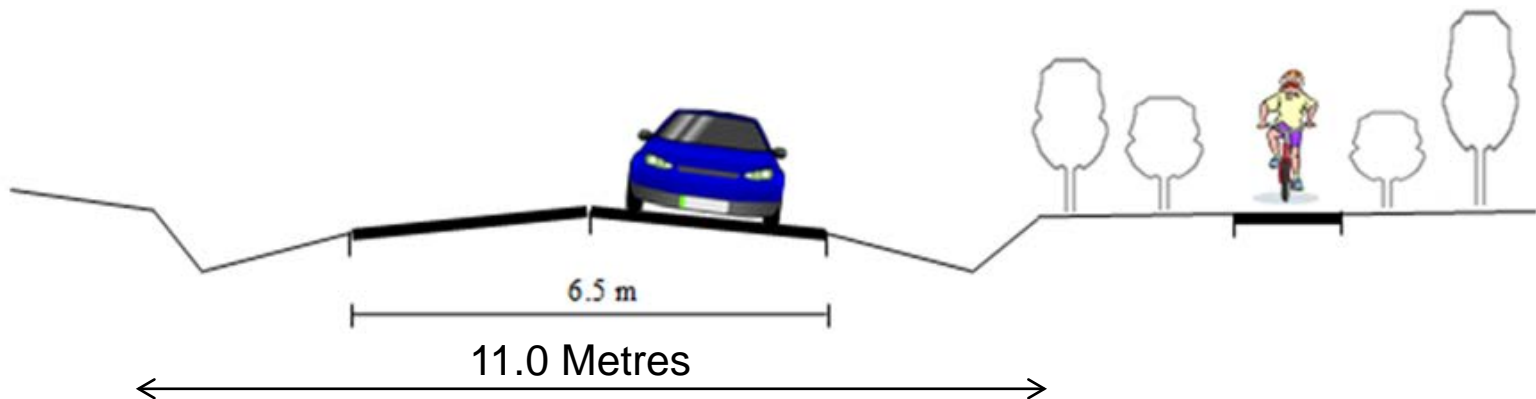

# Design Options

## ➤ Standard design

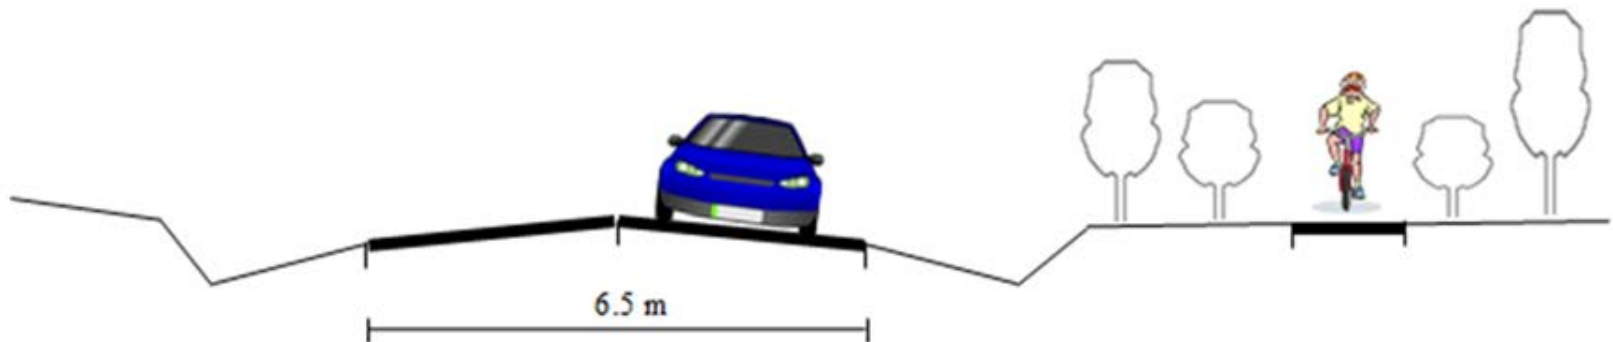

## ➤ Modified Design

# Another Positive Outcome

As a result of accepting the design alternative, the community been working towards:

- A unique trail with 1000-metre descent
- The trail utilising mostly disused tracks
- Plan change for an off road cycle trail

# Construction

Leaf of larger tōī salvaged for weaving

Mulch retained for restoration and community use

Plants removed from the site retained for restoration

Tōī

Kahu tōī
